Breast Health And Care

INVITATION

Dear Friends,

Greetings from KGMU Breast Update 2021!

The Department of Endocrine Surgery at King George's Medical University, Lucknow, in collaboration with KGMU Breast Health & Care and Indian Anti-Cancer Trust, Delhi, is delighted to host the first annual "KGMU Breast Update 2021" on 19-21 August 2021. In light of the ongoing pandemic, the event will be held on a virtual platform.

The incidence of breast cancer continues to rise in Indian women, but greater breast cancer awareness has led to improvement in stage at presentation and increase in the number of women eligible for breast conservation surgery. Improvement in the breast cancer outcome has brought quality of life issues of the survivors into sharp focus. Oncoplastic breast surgery in an important step in that direction.

Learning various breast Oncoplastic techniques is the need of the hour for budding breast surgeons. Thus, the scientific programme of the event has been planned in such a way that it is sure to be a wonderful learning experience for those who are passionate about breast oncoplasty.

Keeping in mind the busy schedule of all, the event will be organized in the evenings from **6 PM to 9 PM** spread over three days. Looking forward to three evenings of scientific bonanza. Prior registration is free but mandatory.

Organizing Chairpersons

Prof. Anand Mishra

Dr. Vaishali Zamre

Organizing Secretary

Dr. Kul Ranjan Singh

WHO SHOULD ATTEND?

- ▶ Budding Breast Surgeons
- ▶ Surgical Oncologists
