AASHNAA ONCOLOGY ASSOCIATION

Dear colleague,

Aashnaa Oncology Association extends a warm welcome for Symposium titled "Updates in Breast cancer" being held under the aegis of Jammu Oncology Forum. Invited experts from leading national institutes will be delivering talks on this topic and together with your active participation this academic program will be of immense benefit to all. This seminar will help enhance the knowledge of all attending oncology, pathology and radiology delegates thereby helping them in bringing standard of care perspectives in the clinical management pathways of patients in Jammu.
