## MESSAGE

**DR. SUMANTRA SIRCAR**  
ORGANISING CHAIRMAN

**DR. V.P. SINGH**  
ORGANISING SECRETARY

Dear Doctor,

On behalf of the executive committee of the "BIHAR BREAST GROUP AND SOCIETY OF ONCOLOGY" Patna, we are delighted to invite you to attend the ABSI MIDCON on March 18 and 19, 2023, at the Hotel Maurya, Gandhi Maidan, Patna. The theme of the conference is "ONCOPLASTY-THE WAY FORWARD IN BREAST CANCER".

Our goal is to bring community oncologists as well as physicians and surgeons from allied specialties with an interest in BREAST ONCOLOGY throughout India, together in an environment where important updates can be presented, challenging cases can be discussed, and best practises can be shared. The programme on day one will be a LIVE OPERATIVE WORKSHOP DEMONSTRATING VARIOUS TYPES OF BREAST ONCOPLASTIC SURGERY, followed by VIDEO WORKSHOP, KEYNOTE ADDRESSES AND PRESENTATION. Day two will be marked by PANEL DISCUSSIONS, DEBATES, and PRESENTATIONS followed by the VALEDICTORY FUNCTION.

The very latest techniques of oncoplasty practised worldwide will be performed live by reputed international and national faculties.

By keeping the programme interactive, our hope is to engage the audience, resulting in improved knowledge and skills. It would be our pleasure to welcome you to Patna Breast Oncoplasty Conference.

Looking forward to welcome you at Patna.

## CALL FOR POSTERS

The scientific portion of the meeting plays a vital role to its mission to promote research and improve standards of practise in the treatment of Breast cancer.

The following information is provided to guide you through the poster submission process:

### Submission Guidelines Overview

All poster abstracts must be submitted through email (societyofoncology@gmail.com) no later than 1st of march 2023. You are advised to prepare a ppt of the poster, since the best five posters will have to presented in a ppt form and face queries hence forth. Poster may not contain data that have been previously presented or will be presented or published prior to the meeting Word limit: 500 words (3,780 characters including spaces) or less for abstracts that are text and images.

### Eligibility criteria

1. All residents working in any medical college.
2. All medical professionals under the age of 40.
3. All residents must submit a letter of identification from the HOD of their respective departments.
4. All authors must have registered for the Oncoplasty conference.

Authors may submit one or more posters for consideration for presentation at the meeting. All will be reviewed by the International and National ABSI Committees. The top posters will be selected for presentation in the ppt format. Poster presentation will take place on March 18, 2023. Your poster presenter must be available to discuss the poster with interested meeting attendees during this session. (Note: The organisers will provide octonorm boards, an 8-foot-wide by 35-foot-high framed board on which you can mount your poster.) You should put up your poster by noon on March 18. The best five posters will have the opportunity to present their posters in PPT format on March 19, 2023, at 8 a.m. in the main hall, from which three winners will be selected for prizes.

### Opportunities for Publication:

Selected posters will be assessed for publication in the ABSI journal.
