

# ABSI MID-CON2024

towards a people-centred approach

16th - 17th February, 2024 @ JIPMER Pondicherry

Dear colleague,

ABSI MIDCON 2024 is the time to throw more light on patient centred breast cancer care. We have put together a wide range of topics, from practice essentials to practical dilemmas.

The speaker list includes experts from within, as well as those who can bring unique perspectives to the discussion. This meet will be yet another opportunity to showcase your work and present posters and papers.

A special core skills workshop on 16th morning with limited seats (50 only) is complementary for early birds.

Pondicherry will be at its finest in February, so waste no time in sending in your registrations for ABSI MIDCON 24.

**Dr. S V S Deo**  
President, ABSI

**Dr. Rohit Kumar C**  
Secretary, ABSI

**Dr. Vishnu Prasad N R**  
Organising Co-chairperson

**Dr. Kadambari D**
